FOREWORD

The Retailers in the Furniture Trade

Gentlemen,

In presenting my catalogue, I would take the opportunity of expressing my thanks to those who have extended to me such a goodly share of patronage. The increase in my business during the past 18 months is ample proof that my work has given satisfaction, both in the Country and the City. My Factory is commodious, replete with the latest plant, and all work is under my personal supervision, and further, my Staff comprises first class Craftsmen. The Polishing Department is under the expert Supervision of Mr. Fred Bourke, and his "Finish", to a degree, is one of the Retailer's selling features.

I endeavour to bring in new ideas and any suggestions from my many patrons will be received with pleasure.

I extend a cordial invitation to all to visit my Factory when they will get first hand information and a hearty reception.

Again expressing my thanks and trusting for a continuation of favors,

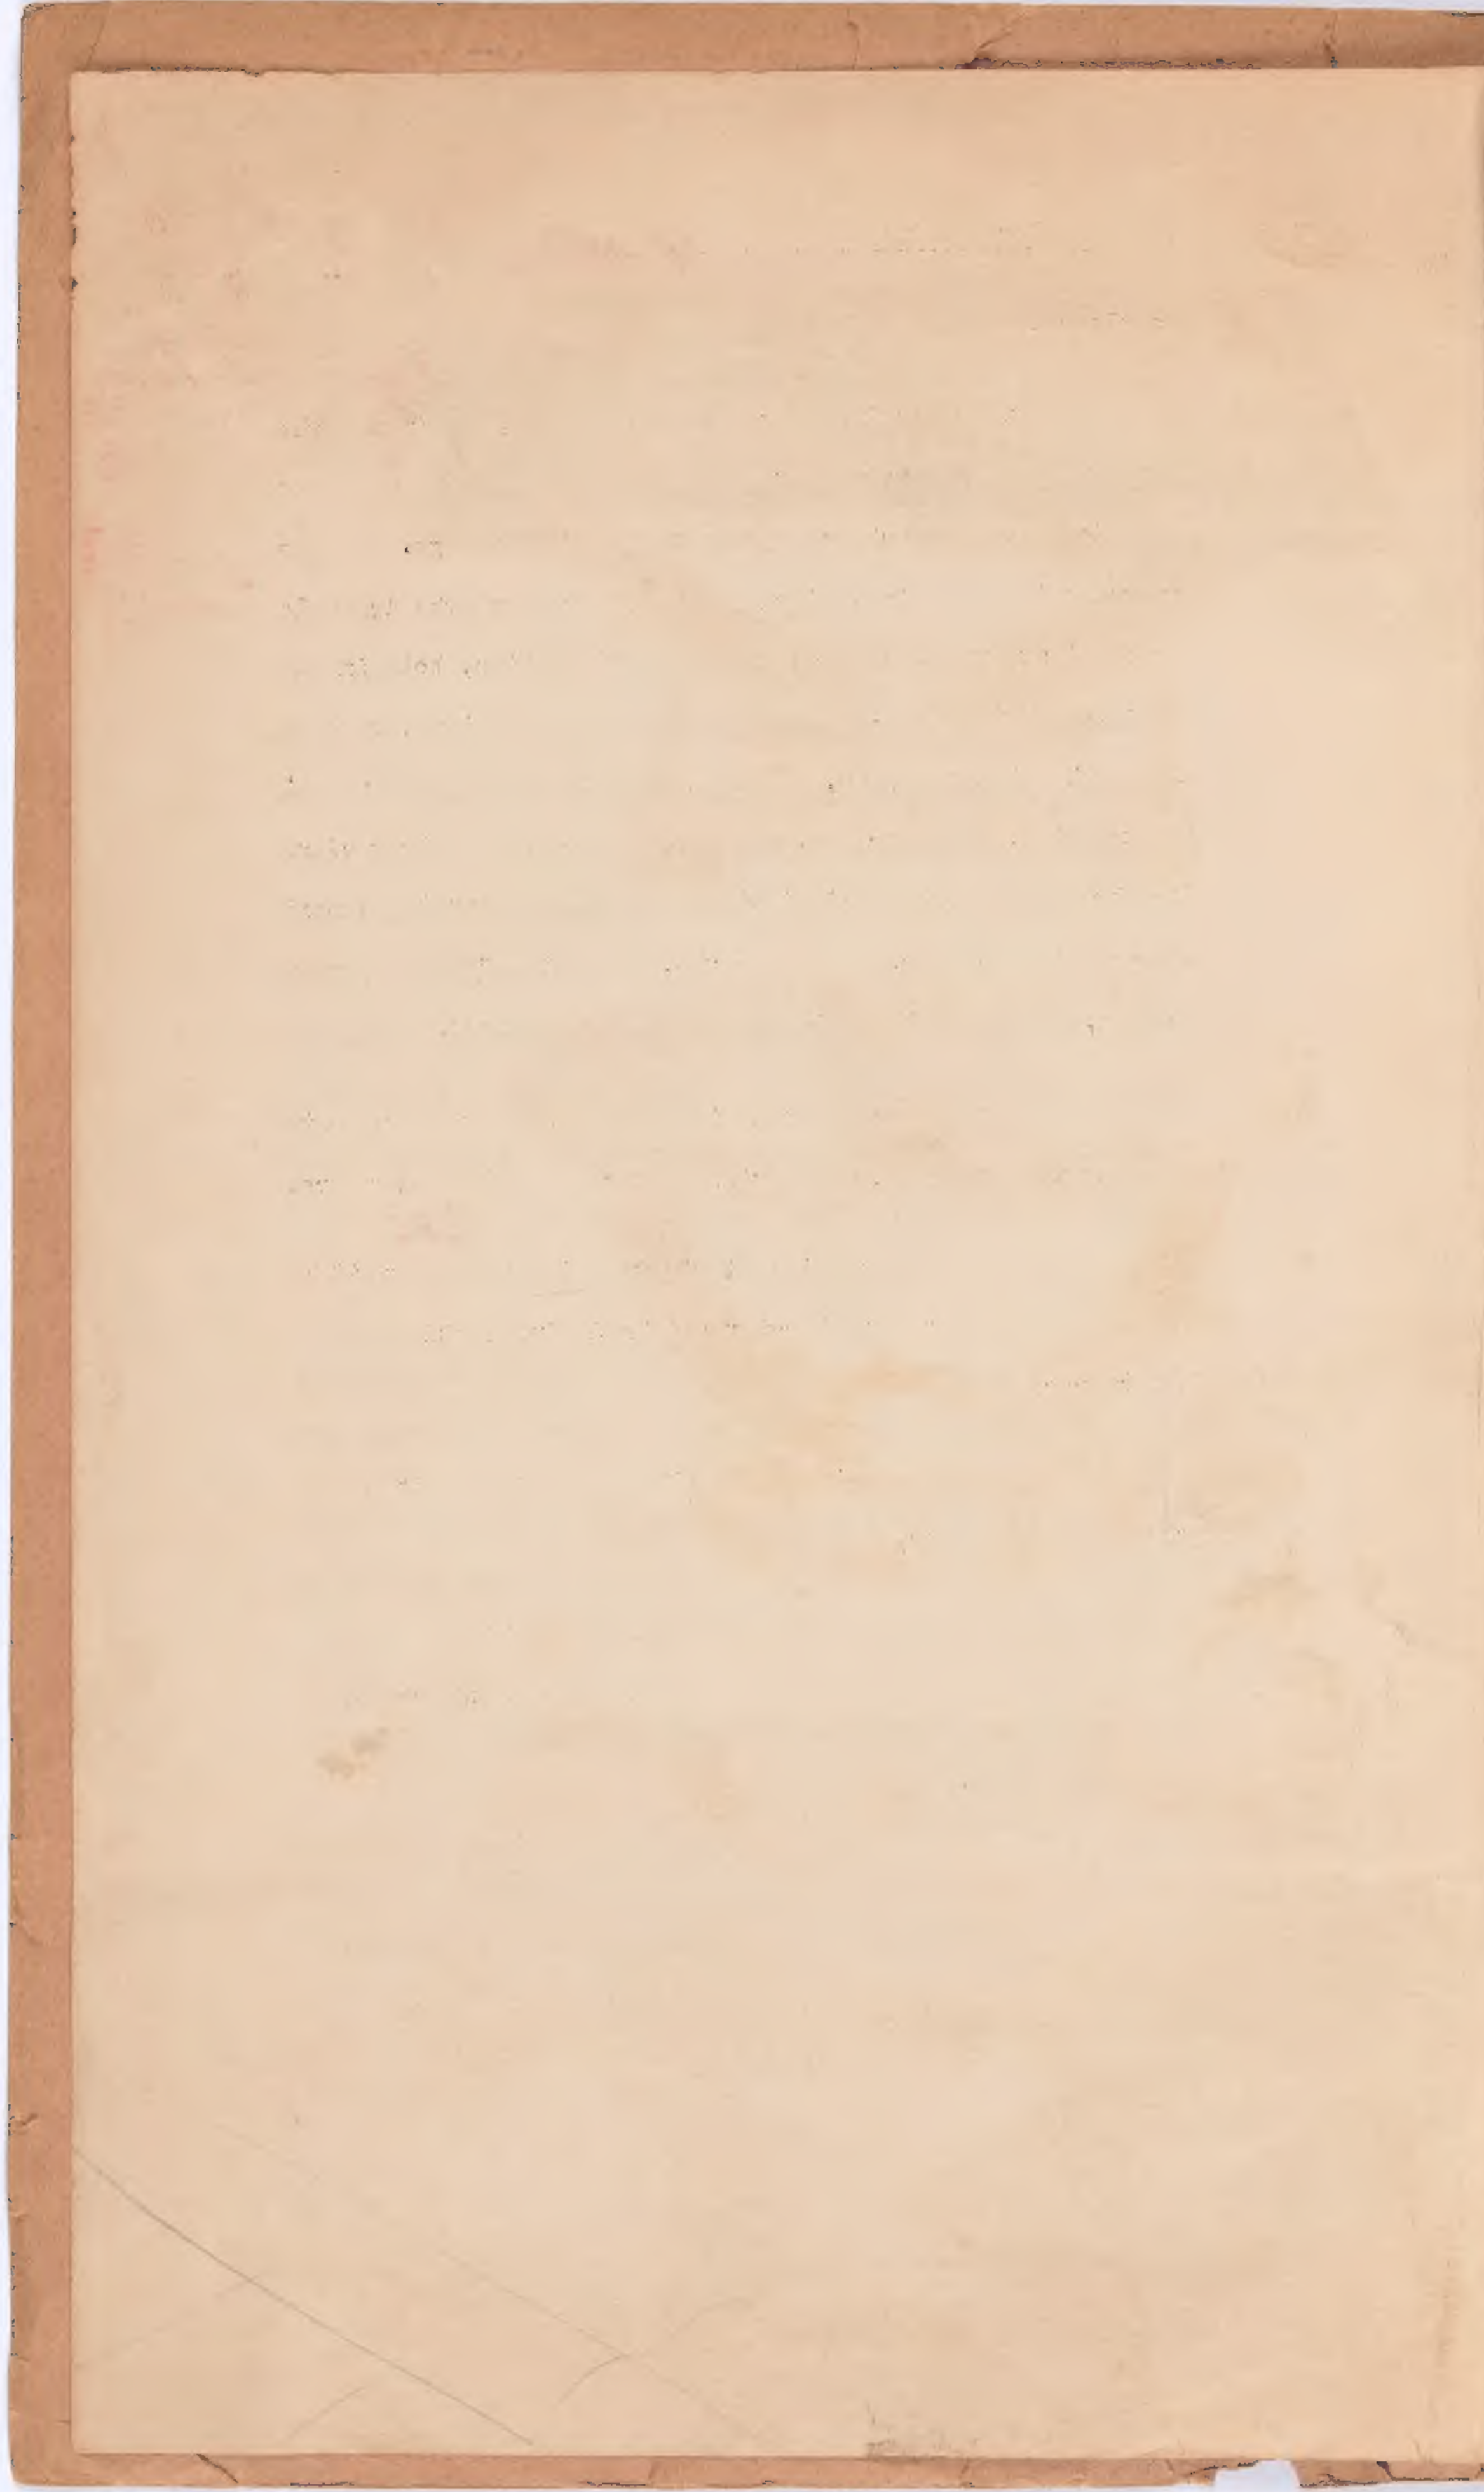

Yours faithfully,

(Sgd.) Geo. E. Fergus.
